CANYON RIDGE® collection

LIMITED EDITION series

Beautiful and unique, Canyon Ridge® Limited Edition Series carriage house doors are constructed with an energy-efficient, Intellicore® insulated steel base and finished with faux wood composite cladding and overlays. The appearance is that of authentic swing-out doors but with the convenience of modern, upward operation.

The Limited Edition Series cladding and overlay materials are molded from actual wood to reproduce the natural texture and grain patterns of the species that they emulate. The result is a distinctive wood-look door that is often indistinguishable from the real thing.
